To register: NEW USER

If this is your first time registering for a class in the LMS:

1. Sign up for an LMS account by visiting https://fmcsa.lms.dot.gov/eform/submit/user-account-request- form and selecting "Sign Up" in the upper right-hand corner.
2. Enter all required User information and click "Submit".
   i. Be sure to use your work email address (state or .gov email address).
   ii. You will receive an email that your registration is pending approval.
3. **Await Approval**.
4. Once approved, you will receive an email which will include instructions for registering for a Login.gov account.
   i. Be sure to use the same work email address (state or .gov email address) that you used in Step 2 when creating your Login.gov account.
   ii. When registering for an account with Login.gov, you will receive an email to set up a password. If you do not receive this email, check your Junk folder, then add no- reply@login.gov to your address book and re-try. Please use a cell phone that you currently use for the verification code to be sent to, not an office phone.
   iii. **You must register for an LMS Account and a Login.gov account to be able to log in to the LMS, register for classes, access class materials, and take exams.**
5. After your User Account Request has been approved and you have created your Login.gov account, follow the instructions below to log in and register as a student for a class.

Please reach out to FMCSA-NTC-LMS-Support@dot.gov with any questions or concerns.
